Subject: APPRECIABLE PERFORMANCE BY DEPUTY DIRECTOR
GENERAL DRAP (PESHAWAR)

Madam!

I, on behalf of Federal Investigation Agency Pakistan (Peshawar) feels profound honour & satisfaction on the positive and professional performance of **Mr Syed Welayat Shah Deputy Director General (E&M) Drug Regulatory Authority Pakistan (Peshawar)** in extending his full support and coordination with FIA to curb the menace of spurious drugs in Khyber Pakhtunkhwa which, I think is a major threat to the health of the ailing humanity. In a recent campaign, we very successfully uprooted an international gang involved in the manufacture of famous brands of Multinational life saving drugs at three different premises in Peshawar & Charsadda. His technical input to FIA helped a lot in strengthening the prosecution due to which, the accused are still in jail and their bail applications are rejected by Drug Court and Peshawar High Court. I hope in future, better liaison between the two departments will provide good basis in result oriented services to the public of KP.

The credit also goes to the high Authorities of Ministry of NHR&C & DRA Pakistan for their support and interest.

Yours

(MAQSOOD UL HASSAN) PSP
