Chapter 1

FEDERAL INVESTIGATION AGENCY

HISTORICAL PERSPECTIVE

A Federal department came in to existence in 1942 during the World War-II to take up investigations of corruption in the supplies and procurement in the then Government of India. After Independence in 1947, it was named as Pakistan Special Police Establishment (PSPE) and was given schedule of offences with Ordinance VIII of 1948. However, with the passage of time, the organization apart from investigation of offences of bribery and corruption against federal government employees, was also given powers to investigate cases relating to the offences under the following laws

Official Secret Act, 1923

Foreign Exchange Regulation Act, 1947

Passport (Offences) Act, 1974

Customs Act. 1969.

As the requirements of Federal Government regarding investigations of criminal offences kept on increasing, Mr. G. Ahmad in his report on "Police Reforms", submitted to the Cabinet on 07-04-1972, recommended establishment of a Federal Police Organization to deal with smuggling, narcotics, currency offences, enforcement of laws relating to foreigners, immigration and passports and offences having inter-provincial ramifications. Consequently, the FIA Act, 1974 (Act-VIII of 1975) was promulgated on 13-01-1975, bringing Federal Investigation Agency into existence.

FIA has now gained role of a leading federal agency in investigating Cases of Corruption, Cyber Crime, Human Trafficking and Smuggling, Money Laundering, Intellectual Property, Spurious Drugs, Terrorism, Counterfeit Currency, Electricity, Gas & Oil Anti-Theft.

NATIONAL CENTRAL BUREAU-INTERPOL

The International Criminal Police Organization - ICPO, INTERPOL, was founded in 1941 with the founding people to coordinate efforts relating to international police cooperation. The membership of INTERPOL today consists of 199 countries, with its General Secretariat in Lyon, France. Each member country establishes a National Central Bureau-NCB to serve as the focal point for that nation's involvement in the collection of evidence, the pursuit of fugitives, locating missing persons including missing children, the identification of unidentified bodies, and the exchange of or request for information related to law enforcement investigations across international borders.

Pakistan became member of ICPC (International Criminal Police Commission) in 1952. The National Central Bureau (NCB) of Pakistan was created under the new constitution of ICPO in 1957. It is attached with Federal Investigation Agency since its inception. The Director General/FIA is ex- officio, the Head of NCB-Pakistan. In 1990 the Secretariat General (SG) of ICPO – Interpol Lyon introduced new Communication System namely X-400 to exchange mails electronically amongst all Interpol member states. NCB –Pakistan was connected with X-400 system in 1999. Interpol SG Lyon replaced X-400 System in 2002 with new Web based Communication System namely I/24-7. In May 2004, Interpol SG Lyon provided the equipments for the system free of cost. During 2005, Interpol SG Lyon has also provided equipments for the extension of I-24/7 Communication System beyond NCB-Pakistan Islamabad.

INTERPOL NOTICES OF PAKISTANI NATIONAL ORIGIN

During the period under report 223 Interpol Notices were issued by Secretariat General of ICPO-Interpol Lyon France on the request of NCB Islamabad against different fugitives in pursuance of the request received from DPO's, CCPO's, NAB and CTW.

COUNTER TERRORISM WING (CTW)

In 2003, Federal Government assigned a limited Counter Terrorism role to FIA and Special Investigation Group (SIG) was established. SIG Officers have been provided extensive training and some equipment by US Gov. through Anti-Terrorism Assistance Program, in the area of crime scene analysis, computer forensic analysis / cyber terrorism, terrorist financing investigations and post blast explosives analysis etc. The nomenclature SIG was changed as Counter Terrorism Wing (CTW).

CTW is empowered to investigate offences punishable under the Anti-Terrorism Act 1997, Anti Money Laundering Act, 2010 Protection of Pakistan Act, 2014 and Federal Investigation Agency Act, 1974 (VII of 1975). In 2015 Federal Govt. has declared Police Station CTW at Director/CTW office and its jurisdiction would be the whole of Pakistan.

Functions of CTW

- Build a National Database of terrorist entities.
- Identify and arrest most wanted terrorists.
- Detect and investigate terrorist financing/money laundering cases.
- Conduct crime scene analysis of major IED explosions.
- Detect, seize and prosecute hate material.
- Computer forensic analysis and Cyber Terrorism Investigations.
- Coordinate with Provincial CIDs in the national counter-terrorism effort.
- Prepare Terrorist Incident Analysis and Threat Assessment Reports for Federal Govt.
- Provide Technical Assistance and Training to Police investigation officers.
- STRs (Suspicious Transaction Reports) issued by FMU to extent of terrorist financing are also investigated by CTW.

Personnel/Logistics

- CTW became operational with 37 officers & 13 specialists. After expansion CTW now comprises of 87 personnel (investigation officers & other staff). It is headed by Director/CTW who is assisted by Addl. Director Statistician, Addl. Director EAU, Deputy Director (Ops), Deputy Director CTIU and Deputy Director/Admn at HQ. There were five CTW Field Units at Provincial Headquarters i.e. Lahore, Karachi, Peshawar, Quetta and Islamabad and now after expansion of the Counter Terrorism Wing of FIA and notification of Police Station of the Wing, 09 field offices of the CTW at Lahore, Multan, Karachi, Sukkur, Quetta, Peshawar, Abbottabad, D.I Khan and Islamabad have been established.
- In addition to the investigation officers CTW has Specialists in the field of Explosives, Digital Forensics and Cyber terrorism investigations.

Software Application/Databases

The CTW has designed and developed customized web-based applications, described as under:-

- National Criminal Database (NCDB).
- O Details of <u>3298</u> accused & suspected terrorists entered.
- 183 terrorist incidents entered.
- CTW Archives for the quick search and retrieval of CTW documents, presentations, crime scene reports, intelligence and interrogation reports, briefs, explosive and forensics reports etc.

National Criminal database (NCDB)

Dfuze Intelligence Management system was established in CT Wing in 2008 with assistance of Govt. of UK. This system is capable of storing data about explosives, IEDs, Incidents, Terrorists, Terrorists Organizations etc. The system is also capable of analysis of terrorist & IED incidents, trends & pattern of terrorism on the basis of the available data. Recently CTW has extended the connectivity of Dfuze to provincial CIDs/CTDs with assistance of UK & Australian Govts and the system has been renamed as National Criminal Database (NCDB). All the data which was previously stored in TIS and TIA has also been migrated to NCDB and now fresh data is directly being entered into NCDB by CTW/FIA and provincial CIDs/CTD.

Specialized Information Stored with CTW

CTW database has been established with links/references to all the official documents of CTW and applications/databases noted above. All CTW offices are connected through secure Virtual Private Network (VPN).
