| 3. Helma Engineering | 6. Radius Group | 9. DWP Technology |

Meeting Minutes:

1. Representatives of the 09 Firms/Vendors attended the pre- bid meetings and discussed different points of the 2021-22 tenders.
2. Representatives of different vendors asked for clarification if they can bid for a selected number of item (s) instead of all the items mentioned in the RFP. Tender committee members clarified that the vendors can bid for a selected number of item (s) instead of all the items. Similarly, bid security/bond has to be provided according to the number of items the vendor will bid for.
3. On the evaluation criteria in Section 3, some vendors requested for clarification on the “Technical Evaluation”. The point was clarified and communicated to the vendors.

4. The specification of Item 3 in NR3CP-III tender (SAN Storage) was discussed in detail and a number of vendors requested for clarifications of the specifications. The Committee members answered the queries and explained the specifications.
5. The revised and clarified specification are

Clarification of Specification after Pre Bid Meeting Held on Aug 31, 2021

1. Tender# FIA/CCW/2021-22/20210801 – RCCW
2. Tender# FIA/CCW/2021-22/20210802 - NR3CP-III

Tender Reference	Product	Advertised Specification	Revised Specification / Clarification
20210802 - NR3CP-III	S.No 3 SAN Storage	<ul style="list-style-type: none"> ✓ Raid Support 1,5,6 ✓ Rack 42 U 	<ul style="list-style-type: none"> ✓ Desired Raid is 6, so any storage with Raid 6 will have full technical compliance. ✓ Rack 42 U with good quality gauge, gauge specification must be included in technical proposal. ✓ Power Cable / Fiber Cable = Variable Distance: Up to 50 Meter Maximum
20210802 - NR3CP-III	S.No 1,2,4	✓ Same as Advertised	✓ Same as Advertised
20210801 - RCCW	S.No 1,2,3,4	✓ Same as Advertised	✓ Same as Advertised

6. It was clarified that if there are more than a single option mentioned for any item, the vendors should provide technical and financial for both the options which will compete against the same options of other vendors bidding for the same item. Also, in such case, bid security/bond should be attached for the option that has high price.
7. Sample of Antistatic Bags must be provided with technical proposal.
